“ *Lisa was my closest friend I could tell her anyg she was good to everyone even when they were not so good to her. she had the biggest heart of everyone I know. My last words to her were i will see you thur when I get to town tell Mitch you are not feeling well . I feel so bad not knowing and being able to say good by she always knew how to make me laugh. I will miss her truly and she promised if she went before me she would find my daughter and send me confirmation that she is fine. 7 years is not long enough time to have a friend like my Louise she called me thelma I called her lose because when ever she drove us anywhere we would always end up into some kind of mess. Once she ran over some cones and we dragged them for miles laughing the whole time today saw some cones and it sadden me. She will forever be in my heart I am so sorry I didn't get to say goodbye she would have wanted me to..well Lisa I love you and don't forget our promise. may god be with you and may you now have your mothers lap under your head without anymore pain and suffering your true friend always peg (thelma)*
