To Bonnie and your entire family, my prayers are with you for hope and peace. Parents never want to even think about surviving one of our children but we have to remember our Lord is in total control. Love, Chrisie Moret.

To Lisha: You are a beautiful lady -- inside and out! You were the life of every conversation when you were in the room! You were always so passionate and lively with your quick wit and good humor. You could tell a story in the funniest way! Quirky things always seemed to happen to you, and you gave us so much laughter and joy! You had so much love and compassion! May God give your family comfort, strength and peace.

My love, Aunt Velva

“ Dear Sweet Lisha.
So many times over the years you have been on my mind.
Strangely for some reason last night you came to me in a dream.
Although it has been many years since I saw you last once again I
heard your laugh, saw your smile and your beautiful face. In my
dream we talked and laughed. We talked not of the things that for
many years I have so wanted to tell you but instead just talked and
laughed. I believe this dream I had is your answer to me from
heaven. Your answer to all the things I wanted to tell you for so
many many years.
Today I am very sad. Sad because just this morning I learned of
your passing. So young to be taken from this life. I guess God
needed another Angel. I am thankful to have known you and I know
you are missed by many. My thoughts and prayers go out to you
and your family.
Lovingly, Randy, Kingrey
