“ Margaret, I regret with all my heart that you, Lonnie and I did not get to eat together as we had planned. I am also ashamed that I was not online and did not see the posting of Lonnie's obituary. I would have been at the funeral home had I known. You know that I am praying for you. I wish there were words I could write that would whisk you sorrows away, but there aren't any. Please know that I love you and hope to see you soon.

“ Miss Margaret, when I heard of Lonnie's passing, I was stunned and so very saddened. He was always kind to me, and always said hello when passing in those long hallways. I told you I thought he was so quite, and you said when you told the girls that everyone @ work thought Lonnie was quite you said it cracked them up. So I take it he was quite vocal @ home. LOL. He will be sorely missed, and I will never forget Mr. Lonnie & Ms. Margaret.
