“ I am so sorry for your family's loss. I only met grandma twice but could easily see that she was a sweet, kind, giving woman with an incredibly strong faith in God. Please know that my thoughts and prayers go out to all of the Moser family.

“ So many memories to share. Mom was the strongest person I ever knew and was the foundation of our wonderful family. She made sure we all knew the Lord and encouraged each of us everyday to always be thankful for what we had and not to worry about what we did not have. I called her as much as possible from where ever I was and it was always a joy to hear her little voice and that sweet laugh. She could always pick you up no matter what you were dealing with. We are all going to miss her so much but we all know she is shining in Heaven now and are comforted to know she is with the Lord and with Dad. Makes me smile to know she is smiling down on us and my heart will always be filled with her love. Here is a link to her favorite song from Billy Graham and it is so true...Just As I Am:

“ So many prayers for the Moser family, Mrs. Moser is with Jesus now, forever young and happy. She was so good to me many years ago when I was in a bad car accident, when I came out of surgery, hers was the first face I saw. When I was able to come and visit her home, she made the best food ever, I still wish I new how to make her biscuits. They were the best. I loved her funny laugh, but most of all her love of the Lord. I KNOW she is singing the praises of God now.

*Praying for all of you.*
