Survived and loved by sister-n-law Carolyn McMahan, Nephew, David McMahan, Niece, Tiffany McMahan Collins, Great Niece Riley Allison Collins, and sister in her heart Regina Morgan Garrett, and cousins. In honor of Ann’s wishes her cremains will be placed in some of her favorite places. A heart felt thanks from her family goes to Mikayla Matthews, and April Davidson for the care and love shown.

Looking back  
On the memory of  
The dance we shared  
'Neath the stars above  
For a moment  
All the world was right  
But how could I have known

That you'd ever say goodbye  
And now I'm glad I didn't know  
The way it all would end  
The way it all would go  
Our lives are better left to chance  
I could have missed the pain  
But I'd have had to miss the dance  
Holding you  
I held everything  
For a moment  
Wasn't I the king?  
If I'd only known  
How the king would fall  
Hey, who's to say  
You know I might have changed it all  
And now I'm glad I didn't know  
The way it all would end  
The way it all would go  
Our lives are better left to chance  
I could have missed the pain  
But I'd have had to miss the dance  
It's my life, it's better left to chance  
I could have missed the pain  
But I'd have had to miss the (dance)

“ I worked with Ann at Alto for years. We drove together over the mountain. she made the trip a happy one everyday, she found something to make us laugh about. we went to a few occasions together and she was the life of the party. There will never be another Ann. She was personality plus!!! Heaven will have it's hands full....haha....God rest your soul.
