“ I just learned of Luke's passing. I knew him when he worked at the HFIR facility at ORNL. He was such a pleasant person to know and work with. I am truly sorry to hear of his passing. He was a wonderful person.

“ Luke always had a way to make you part of the family. When my brother Tex Ramey would stop at his house to eat with Lukie if he was cooking out. Tex knew smoke meant food. 😊

“ SOR won't be the same without you Luke!
So many nights working at the store were made so much better by having you, Billy Jack, and Rick come by and aggravate me! We will all miss you so much. I'm so sorry you had to suffer with your illness but so happy you're in a better place even if we cannot be there right now to have some laughs with you. We will catch up with you someday!

“ *I worked at ORNL(X-10) plant in Oak Ridge and was friends with Luke . It was a pleasure to know Luke and consider him my friend. He always made the time go by faster because there was never a dull moment around Luke. I shall always remember Luke as "my friend" and will miss him - as we all will. Tom Nichols*
