“ *To Jack's Family:
First of all, I would like to "Thank Jack" for his giving of himself in the Military.
As a child growing up, I remember him working at Paul Red's grocery, seems like Jack was always jolly.
Later, when I became an adult, I remember him working at the Farmers
Co-op, That is where I got to know him and to really like Jack.
He had been acquainted with my husband Gary for many years, and Jack always had stories and tales that he shared with me.*

*May he rest in Peace and hopefully he has met up with many friends to continue
laughing and talking with, as he loved to do.
He was one of a kind and will be missed.
