“ I was greatly saddened to hear of the passing of Mrs. Goins, I found her to be an extremely proud lady with great character. Her children and other family members have much heritage with which to stand tall.

“ Mama Macie you will always be one of a kind in my heart and in my thoughts. I will always remember you always had a smile on your face for one and all. Most of all you never met a stranger, anyone entering your home was at home. I love you and I thank you for all you have meant to me throughout my lifetime. Words cannot express the emptiness that I feel in my heart, but I know that you are smiling at everyone of us down here and telling us we are going to be alright. God Bless you all, Betty Tarter(Malloy)
