“ *Malinda was an extremely intelligent young lady, & often astounded me with her vocabulary. Mindi was very creative, was a painter, made globe lamps, & was a published writer. She taught christian school, & enjoyed the children & working with them. I have several afghans, that she made & some extremely rare patterns, that I will always cherish.*

*Taylor was an exceptional husband & always stuck with Mindi, through good times as well as bad & loved her unconditionally. I will forever miss & love my daughter. God rest her dear soul in Jesus precious name. I'm so thankful she is at rest & no suffering any longer.*

*I met Mindi at Thomas Nelson Community College, she was so sweet and kind to me. She included me in her life immediately. She was like my family. Taylor and Mindi loved each other very much- you could feel it by just being around them. We lost touch after I moved back to Ohio in 1995. She has been on my mind for some time now, I tried looking for her on Facebook many times. I had no idea she was sick and had passed away. She was so smart - she told me all the time she was going to be a doctor. God rest her soul. ❤️ U 🙏*

“ We are sorry to hear about your loss. Sickness has robbed us of our loved ones resulting in their death. May these scriptures bring you all comfort. Isaiah 33:24 promises , "And no resident will say: "I am sick." The people dwelling in the land will be pardoned for their error." When Jesus was on earth he healed the sick and raised the dead. At John 11:25 "Jesus said to her: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." What a wonderful hope we can look forward to and may God strengthened you in the days ahead.
