“ *The Lay Family:*

I was so sorry and saddened to hear of precious Mamie's passing. She was always such a lovely, kind lady; and I always enjoyed chatting with her at the beauty salon. She will certainly be missed by everyone whose lives she touched.

“ *Mamie will be so greatly missed by all of the staff at Kingston Dialysis Center. She was truly a blessing to be around and I looked forward to seeing her each day. She fought hard for so long. Gerald, you took such great care of her for so long and are truly an inspiration to all, and the perfect image of how a husband should be. You and your family are in my thoughts and prayers... I love you guys!*

Gerald, You have been blessed with health and enjoying the support of Mamie all these years. What legacy to leave with the community and KUMC. The choir will finally have to elect a new president! I'm so glad I stopped by a few weeks ago to share a few moments with you both. May God's richest blessings be upon you and the extended family members. The Holy Spirit is the Great Comforter during these times of both celebration and sadness. Peace be with you-all.
