I am so sorry Margaret has passed. But I will always remember her (and Bill) as being so kind and truly amazing Christians. It's really sad that we have lost so many relatives but I'm happy for all the memories. Special prayers for Sue, Charles and Bob. I know they will miss her terribly. I am truly thankful for the time I lived in Kingston and was around all of them. Rest in Peace Margaret.

“ *A fixture of my childhood, I'll always remember Margaret sitting on the second pew opposite my family at church, teaching me and all my cousins in Sunday School, and generally being one of the kindest persons you'd ever meet. I'll also remember stopping by on Halloween to Trick-or-Treat :-). What a great person, whose legacy is a large family filled with really good people ... and hundreds of people like me who saw her as an example of what is good and kind and right. My heart goes out to everyone in the family. Just know that there are many of us who were touched by Margaret in some way, and we know that she is smiling with the Father now.*

“ *I was given the honor and privilege of caring for Ms. Margaret at Jamestown. I fell in love with her getting to care for her, she always had a smile. I loved getting to go in there at night. I will miss our little chats, but most of all I will miss her!*

“ Our deepest condolences to Sue and Charles in the loss of their mother and to Bob Snow, who I know will miss Ms. Margaret very much. Ms. Margaret was a kind Christian woman and a dear friend to both Walter and myself. May the family find peace in knowing that she is in heaven with all of the loved ones that went before her. God bless you all.

*Sincerely,
