“ Margaret was a superbly generous and generative person; she will be missed by so many of us. Her wit and wisdom always made experiences with her a joy.

“ May the Lord be with the Cleveland family during this time of sorrow. Weeping may endure for a night but joy comes in the morning.

*Margaret may not be here physically anymore, but at least now she is not in pain anymore. She is now resting in Heaven serving the God she loves so. Its okay to weep for a little while, but remember we can also see the joy in all of this. She is no longer in pain, she no longer has tears of sorrow. However she is now pain free, and she has tears of joy!*

*God Bless*
