“ *What wonderful memories I have of my experiences with the Sadler family. Be it times in Mississippi or times in Tennessee, all are such good times in my journey. Both your mom and dad were always caring and fun. Even my last visit with your mom has a great humorous moment. I loved her realistic view of things as it was blended with her love of people.*

“ Dearest Judy and Jay, I am so sorry to hear of your Mom's passing. She was a wonderful lady and I will always remember what her friendship meant to my family. She was so kind to visit and cheer my Mom during her years with Parkinson's Disease. She was very special to mom and made her difficult days brighter. I have great memories of us as children roaming around our two mountain tops and meeting in the middle. Please know that my heart is with you today and in the coming days. Your Mom was a leader of Christian women and will always be remembered for her efforts. May God bless you and your families.  
With much love,  
Jeanne
