“ Margie and George served as the Minister of Music at my home church, FBC, Pascagoula, MS. The summer before my senior year in High school, they took me to Ridgecrest BS for Music Week to learn to direct preschool children's choirs. (I also was the room mate for Mary Kay Higginbotham Parish for her to audition for Dr. Warren Angell) I was the 5 year old choir director that year. It wasn't until after I married that Raymond put me to work as the preschool choir director, which I did for about 30 years. Thank you Margie and George for that opportunity.

After my recent illness, I received an email from Margie that I was in their prayers for my recovery. That meant so much to me. The accident must have happened right after that. You are in mine and Raymond's prayers.

“ My heart is so very sad. Mrs. Margie was a wonderful lady! I enjoyed talking with her each time I done her hair. She was an inspiration to me. My daughter, Zoie will miss her reading to her at the salon. She was a blessing to me just talking with her. She is walking the streets of gold now:) I will bet she's already met my other daughter, MaKayla and had her on her lap reading to her:). Mr. George I am so sorry for your loss. I know you will be lost without your sweetheart, but I pray God will lay his hands on you and comfort you each day. My thoughts and prayers will continue to be with you and your family. May God comfort and bless you all!

“ My prayers and thoughts go out to you and your family, George, in the loss of Margie. Psalm 125:1 says, "Those who trust in the Lord are steady as Mt. Zion, unmoved by any circumstance." I pray for a steady heart and that peace that passes all understanding as you work through these days without Margie. I remember reading that Dr. Vance Havner was heard to say after the passing of his wife that you haven't really lost someone when you know where they are. And we know that Margie is in her permanent home with the Lord. Until that time when a final reunion takes place, God has given you precious memories to cherish, and I trust that they will be a comfort for you in the days ahead. May God bless and keep you.
