Julian, what a treasure Margo was! She radiated “welcome one and all and knew how to host as party! Everyone felt “especially loved” by her smile and warm embrace. We will always hold her dear to our hearts and remember the twinkle in her eyes and laughter in her voice. She was a “spark plug” and made us all better people.

“ To Dr. Ahler and his family, our sincerest condolences in the loss of your wife& mother of your children. Everytime me or my twin sister would run into Dr. Ahler, if his wife was with him, he said these are the twins I delivered so many years ago. So with that said, just know we are praying for you. May God give you the peace and understanding you need to get through this loss.
