“ She was one of a kind I had the pleasure of working side by side with her many years and was at Jamestowne working when she moved in it was a transition for her but she adapted well. She taught me many things not only in nursing but in life. We used to have long chats about her childhood, how to make butter, what an ice house was. She will be missed by many I know her daughter but not sons, and she will miss her every day, as not many days even when Verilyn was ill she was always there prayers for her and family.

“ I first met Alan (and Hank and Marguerete) when I moved to Kingston in 1955 and we were in Mrs. Prim's 3rd grade class together in the old yellow brick elementary school. Mr. Brake was the principal. We became fast friends immediately and even though we lived most of our lives over a thousand miles apart we have kept up with each other for these 64 years.

Marguerete and Hank were always so very kind and welcoming to me on my many visits to their home in Cherokee Hills, and Alan and I still talk about those times and how Blessed we were to have grown up in Kingston. Hank and Marguerete and my parents, Loy and Irene Domer became close friends as well. Hank came to visit me the day before I left for Viet Nam (15 Feb 1967) and shared some of his wisdom with me of his time of being in a war and gave me a hug when he left. I will never forget this. What great people he and Marguerete were, and their lives impacted many. I also remember how Margueret came to spend the day with me at Harriman Hospital in 1995 when my Dad had surgery and was near death. What a sweet lady!

Alan and I have shared many great times and some tough ones as well. My Mom and Dad and Hank all passed away within 10 months of each other in 1995. Alan and I talked a lot and comforted each other as best we could during this time. I could write a book about all the great times we shared during our amazing high school years at RCHS.

I am forever grateful to God for bringing the paths of our lives together. I am so Blessed to have known you for over 64 years, and will continue to hold you and yours up before the Father's Throne in prayer. Hank and sweet Margeurete are now together again with Jesus. Love in Christ to Alan, Verilyn, Denny, and your families.
