“*Marjorie and I met in business college. We became very close friends. I named my daughter Michelle Marie for my sweet friend. I tried to stay in contact but when she moved to N C, we lost touch. I always looked for her. She touched my life and I loved her family. My love, Judy Walker Cameruca*

“*Margie and I are first cousins. Unfortunately we lived far apart (me in St. Louis and Margie in TN). We visited many times as children. Funny story about Margie: we were 16 years old when she wanted a new swim suit. My uncle Paul gave her some money and told her to be sure to get a ONE piece. So off we went and at the store Margie found a cute two piece. She held both top and bottom up and said "Gaile which piece should I get? Daddy said to get ONE piece". We both cracked up laughing. Just one example of Margie's humor. She was always a happy soul. I loved her daddy too and our cousin Judy cared for Uncle Paul with many visits and treats until he died. How I miss both Margie and her Daddy.*

“*Sending love and prayers to the Byrd family. She always had a smile on her face. She worked with the youth at Childs Memorial Baptist church several years ago. We all loved her. Connie Childs Massingill*
