“ When I think of Margie's life I think of exactly how I would want to be remembered. Margie was a caregiver! She loved her family and her family adored her. When you hear the saying "the apple don't fall far from the tree" this is Margie living out her Mom and Dad's example. Now she is getting her reward and I can only imagine the celebration in heaven today. Can you see Hugh and Viola just so excited to see her and she seeing them. Angel Choir just got louder and how sweet heaven just become.

Margie held everyone up and kept you going. She taught you all well and has trusted you with her knowledge and worldly possessions. You must carry on as one day soon we too will be called to heaven. While we miss her we must carry on and just try to be half as good as Margie Earick's is.....

Love you, Kay Johnson

“ Marjorie was a great person inside and out. She always had a smile on her face. She never failed to give us a big hug when we saw her. Marjorie was one of a kind and will be missed here on earth but I know she is walking with Lord and running up and down the streets of gold. My prayers go out to the family.
