“*Marge was one of a very few ORAU employees I met in 1966, and we carpoled to work every day for about ten years. You can imagine the conversations we had. She was over the payroll department, so I had opportunities to let her resolve issues that came up with employees' checks. She was a wonderful person, always kind and helpful. She always spoke kindly of her neighbors in Rio Vista, loved her family, and was a wonderful person to have known. I had the great fortune to know her for over thirty years. My sincere condolences to her family. Jo (Templeton) Tipton*
