

Mark Conlin

January 18, 1953 - January 17, 2023

Mark Conlin the eldest sibling of the Conlin Family went to be with his mother and father the day before his 70th birthday. Mark was a longtime resident of the Michael Dunn Center. His cantankerous and sassy mouth will be missed.

The family would like to especially thank all the Michael Dunn Employees that ever touched his life for their care, patience and their love.

In lieu of flowers the family requests memorial donations be made to the Michael Dunn Foundation in Mark's Honor. Kyker Funeral Home of Harriman is serving the Conlin Family.
