“ There are so many great childhood memories with Mark. From Chilhowee to Holston, church camp antics, parties, sports, the dances, running thru the neighborhoods after curfew trying not to get caught, the pool in summers...the good times always included Mark and the guys (and gals). And that smile.... We were blessed to know him. My condolences to the family.

“ Mark was a great friend and a neighbor, always kind and willing to lend a hand. He was generous with his time, never failing to greet or have a chat. Shared his delicious tomatoes, frequently (and without judgement of our own pitable crop). Mark's kindness also extended to our cats which visited him often and enjoyed his company

“ I have known Mark and his Dad for nearly 40 years through our association with Liebert. We've shared many customer meetings, laughs, and memorable golf trips over the years. Mark always had a smile on his face and such a big heart! I'll miss him!

The reunion between Mark and his dad Don will be a special celebration in Heaven! That brings a smile to my face!
