“ Matthew,

*You and your family are in my prayers at this time. I know this is the hardest thing that you ever thought you would have to do. Remember he will always be with you, because you and Mark shared a special bond being twins. Remember Mark from all of your fond memory that you all shared together and you all will make it through this difficult time. This disconnect that you and your family are feeling right now will get lesser and lesser painful as time goes by, because everyone of you will always be able to go and talk to him anytime you need too. He will hear you all and know that he is missed and will be watching over you and your entire family as a Guardian Angel. I hope these can be words of comfort to you and your whole family.*

“ *I met Mark several years ago at IHOP. He was an excellent server with a friendly, outgoing personality and a beautiful smile. But, more than my favorite server, he became my friend. Mark was a caring soul with a great sense of humor. Mark will be missed terribly. My heart is broken.*

*Continued prayers for you, Matthew, your mom, and your entire family.*
