“ *Marlene was a close and dear friend to my sister, Vickie Lawson. I will always remember the kindness she showed to our family when our brother, Wayne, passed away in 2003. A fine, remarkable lady.*

“ *I worked with Marlene at K-25 in the Fire Department and then after the transition of the K-25 Fire Department to the City of Oak Ridge. I truly do not know what I would have done without her during that time. She made everything work and more. Marlene was a very hard worker and friend to me. I have missed her since she retired and will miss her more now. Marlene was a "Mother Hen" to all of her coworkers and was loved by all. She will be missed by all that new her.*

She and her family are in my thoughts and prays.

“ *My friendship with Marlene and her family predates our school days, since our mothers were longtime friends. Our families often got together to share childhood milestones. I'll always remember the sleepovers when we spent most of the night singing along with the latest hits. The steel guitar competitions are, also, a fond memory.*

Please accept my sincere condolences. I share your sorrow.

“ *Dearest Doug, Angie, Debbie, Bobby, Ryan, Marlena, and Lois:*

Words are not enough to express how you are feeling and what you are going through right now. I know you are thinking how are you going to live without her, because I honestly don't know how I am going to live without the best friend I ever had - who was like a sister to me? We have a great deal to survive without her, but we will do it together. I am here for you always and will love you forever. May God grant us the strength, grace, humility, and wisdom to see this through.

Love always,

Vickie

“ Love and prayers to all. Marlene and I have been co-workers for the past 15-20 yrs and daily e-mail buddies. Her energy and sweet smile have brightened many of my hardest days. Never forget how much she loved her family. She was so excited when Doug and Angie came off the road and TVA could not run without Deborah. Ryan she shared many special stories about her special boy the flowers and the special cards you gave were her love. Marlena, she called me the day you were born to let me know all was great and how she treasured your name and as you have grown how sweet and smart you and Ryan are. You were truly the love of her life. I will miss her so much and will keep you in my thoughts and prayers. Never did figure out how she could eat so much! ha Let me know if I can do anything for you. “ To Marlene's family, my sincere condolences. Marlene and I not only were classmates, we both loved to sing, and played the Hawaiian Steel Guitar. She was also born a little over two weeks before me. I will always remember her smiling face, beautiful voice, musical talents and her friendliness.

“ Can't believe Marlene is gone. We were friends in high school, she and Bill were godparents to our daughter. We just recently reconnected at our 50th class reunion after many years. I looked forward to staying in touch with her through email. My thoughts are with the family.

“ Marlene was my dear friend in Port Clinton High. She was a year ahead of me but we became close when we met in Mr. Russell's Music Store in PC. She played the Steel Guitar and I played the Accordion. We played and competed at various music events in Ohio. I was in her wedding and she was in mine. Later She and Bill Oliver became my daughter, Michelle's, God Mother. We lost touch when she remarried and moved away. I was invited to the 1961's 59th Class Reunion last year as a guest. We were so happy to see each other. We had some photos taken which I will cherish. May Marlene rest in peace in Heaven. I will see her again some day. Doug & Debby, my prayers go out to you and your families. Your Momma will always have in special place in my heart. Please let me know when the service will be in Port Clinton. We will be there. God Bless you all. Mary Lou (Castillo) Steele

“*Marlene and I were classmates and remained close friends back in the mid-1960's. On November 28, 1964 she was a bridesmaid in my wedding. Unfortunately, we loss contact with each other during my husband's Navy days and I only saw her at only a few class reunions after that. She was a wonderful and sweet person-always cheerful and kind to others. The family has my sincere sympathy and may the wonderful memories of Marlene help you through this very sad time.*

“*Marlene went through Immaculate Conception Catholic Grade School and Port Clinton High School with me. I also am the one who kept up the class with information. I am sorry I didn't know Marlene was ill or I would have let the other classmates know. We like to keep in contact.*

I remember Marlene's playing her special guitar. It amazed all of us that she could make that guitar produce such lovely music.

Marlene was such a nice person. I am sure she will be greatly missed. My thoughts and prayers are with you at this time.

*Sincerely,
Margaret*
