“ *Mamaw Beason has been part of our lives for nearly 20 years! She was such a blessing and true friend to us. She invited us to become part of her family so many years ago and loved us just like we were hers. And we felt that we were. After Ronnie's mom passed away, he really considered her as his other "mom". She always made him fried apple pies and brought him candy to church. He was more than her pastor...like an adopted son. He always hand-picked her a porcelain doll every Christmas until finally, she had too many. Those of you who know him understand what kind of relationship and bond that they had. It was hard when she got down and was unable to attend church. We missed her so much when she couldn't come. What a legacy! She was an incredible lady of God and we loved her so much! Can't wait until we all get to heaven so we can see her again. She will be greatly missed and it saddens us deeply of her passing, but we know that she is in Heaven rejoicing having taken that "flight without an airplane" a few days ago. Her family are in our prayers for God's comfort and healing during these next few days and months ahead because we know things will not ever be quite the same without Mamaw Beason.* ”
