*Lyndon, I am so heartbroken for you and your family. I know how hard you have tried to take care of all your Mothers needs and wishes this past year and a half when things were very rough for her. I know how much you loved her and the loved she showed you.... always enjoying your visits with her each day. She is at peace and with loved ones now. You have been a wonderful son to her and she knew you loved her..... that's what matters. So sorry I couldn't be there to tell you in person but you and your family are in my heart and prayers. Take Care. Love in Christ Your friend always. Elaine*
