“ *Sending all my prayers and blessings in this hard time. I am honored to have known Papa, and to have been witness to something so great. I recently lost my Grandfather this Sept. He raised me to the standards of life that he learned through his own trials and tribulations... He WAS my father. Papa reminded me of my own Grandfather in so many ways. His demeanor, and chipper attitude even in the face of Trials. His ability to work, laugh things off and move forward and through life with a positive focus is something one can only derive from such a devout, beautiful, and loving life. I am ever so grateful he was able to enjoy, even though brief, time with his Great Grandson. May the Grace and Strength of the Lord, and Love uplift you and carry you through the threshold of this time... God Bless*
