“ *My heart is throbbing right now , I wanted to call u this morning , but I didn't know how . I wanted to say I love u just one more time , but its like I'm calling from a pay phone and I'm missing a dime . I miss u more and more each day , the memory of u Nana just won't fade away. What u meant to me is more than u ever known or ever seen,u was a woman of your word and what u said is what u mean. You where a woman who stood on her own two feet , even when time was hard u kept us nice and neat. You where a woman with a backbone of steel even when U where sick and tired u always kept it real. Losing u was the hardest thing I had to face , but rembering our private words u said Haley just keep the faith. Just missing your old time stories remembering ur pain and suffering , and asking God for glory.But I thank you .You tried to teach us right from wrong you taught us to be better and continue on.
I Love You Nana! RIH .*
