“ Sending prayers and hugs to you all, she was a wonderful person, I remember when she, the Arden/Monroe Family first moved to Florida, which is how I met them, they moved next door to my Grandpa Farmer, that's how me and Cyndi Arden Cesario became friends, we would play through the fence together as kids before she started third grade at Oak Park Elementary, and turns out my Grandpa Farmer actually knew some of her Family, (Monroe and Arden), because he is from Tennessee as well, same area, Mary Katherine Arden and her family have always been a part of our life, we will miss her dearly, her smile, jokes and laughter.

“ We are so very sorry to hear of Mary Katherine's passing. She was one of a kind & a pleasure to be around. Always smiling & always ready to help anyone. We go back lotsa years, can't remember when the Monroe/Arden family moved to Tampa but Mr & Mrs Monroe bought the house I was raised in on 15th Ave & I always felt that old house was being taken care of by the entire family. Our condolences to you all now & forever.....Linda & Harry Whitney
