“ *Bill,*

*I am so sorry to hear the news of your mother's passing. May God be with you and your family during your time of need and always. I never knew your mom, but she must of been a very good mother and just a good person over all,to raise such a fine family and to read all the things that her dear friends are saying about her. I know you'll miss her dearly.*

*I just wanted you to know that you are thought of and that my heart goes out to you and your family.*

“ Lori,  
*I am so sorry to hear about your precious Mom!!! I loved working with Ruthie at ORAU and she always had a way of making me laugh even thru stressful times!! And what a hard worker she was - always striving to do her best no matter what was going on in her life. I'll never forget the time I was very down and frustrated and she came in that morning and brought me a beautiful peach rose in a glass. It instantly brightened my day and reminded me not to sweat the "small stuff". Ruthie will be greatly missed but I take comfort in knowing she is in a better place in the arms of the good Lord and with no more pain and suffering! I know she's watching over you and that we'll see her again!!! You are in my thoughts and prayers!!!*

“ *Ruthie and I worked together quite a few years ago, but I still remember how much we laughed and how much we accomplished. I loved hearing her stories about life --stories that could make you laugh, or cry, or just leave you completely amazed. There was no one like Ruthie, and I miss her.*

“ Ruthie and I had many a good laugh. Ruthie told a good story. She was excellent in her work. No job was too difficult that Ruthie wouldn't attempt to execute a solution.  
I will always remember Ruthie
