“ I was over at her house often during my teenage years. She was always cheerful and always made me feel welcome. Throughout the years, I would frequently see her. She always had that bright smile and cheerful hello! I last saw her at the Doctor's office last summer. She still had that smile and looked as good as always. One of the childhood memories that I'll never forget! Loved Her! Think of you, often, Jerry!

“ Dear Jerry and Peggy:
Our thoughts and prayers with you during this time. I will always cherish being able to treat her orthopedic problems. Seeing her in the office she always had a smile on her face, Never complained. I know these upcoming days will be trying and the memories that you have will always be with you and can not replace her being with you.

“ *She was more family than a neighbor to us. We lived next door for more than 40 years and never had an argument or a disagreement. We loved her and miss her.*
