“ *What a beautiful person, inside and out! So sorry to hear of her passing. She was also introduced to me by Dub Harmon, and I immediately loved her; so gentle and caring. I think she also shared a dining table with my mom at Jamestowne. She will be missed by so many people. She always greeted you with a smile and I'll miss those big smiles.*

“ I met Mary Lois in 2007 when introduced to me by my father, James "Dub" Harmon .

She was a special friend to all my family and we all mourn her loss I remember her especially for her beautiful attitude whatever trials came her way.

She tirelessly attended whatever county commission function Daddy asked her to and charmed everyone she met

Daddy told this story about her baptism a few years ago. He said " Mary Lois mentioned that she had been attending Riverside Baptist Church with me for quite some time now and was very happy there and thought she might like to join the church.

I told her that she , being raised Methodist , would need to be baptized again into the Baptist church.

She thought for a moment and said "that's fine with me. Could I wear a shower cap?"

And she did. A baby blue one that matched her amazing eyes Tina tee.

A lovelier lady I never knew , inside and out.

She has been a light to my path as I watched her make great lemonade out of every bitter lemon that came her way. I thank the Lord for my time with her.
