“ I was saddened to learn of Mrs. Briggs passing. The news brought back a lot of good memories. Mary was one of the first people I met when I moved to Harriman years ago. She would come over to the the Webb's Drugstore in South Harriman where I worked. She -- and her children-- were good friends. Years have passed since then, but the great memories are alive and well in our hearts. My condolences to all of the children.
Love,
Ken
