“ I will miss my Dear Sweet Precious Aunt very much, I am so glad I was able to see her shortly after her 100th birthday in July. I was able to visit with her and to get a few pictures. I will miss her sweet spirit that was so evident in her life. She is now re-united with all her loved ones and is rejoicing in the Lord.

My prayers are with my cousins Linda and Carolyn who I know will miss her deeply and all your extended family. May God Bless and keep you all and give all of you the Peace and Strength to cope with your loss.

God Bless

“ I remember growing up and staying with nana. She would tell us bedtime stories and cook us the best breakfast! She would always have fudge pops in her freezer for my sister and I. And when I would try to help her with the dishes Nana would tell me that I was on vacation and not to worry about it. Such a sweet woman inside and out!

“ *My dear Aunt Kathleen was very dear and sweet. As a young girl I spent many days playing with my cousin. Kathleen always fixed wonderful lunches and treated me with love. She was an inspiration. A kind loving woman and a great blessing and influence in my life. Her wonderful smile and humor I remember so vividly and will always be with me. In the latter years when I visited Kathleen, she was always the sweet and humorous person I remember as a child. She will always be in my heart.*

To my cousins Carolyn and Linda my love and prayers are with you and your families. May God cradle each of you in his arms during this time of sorrow.

Your cousin, Brenda.
