“ Alice and family, I am sorry to hear of your Mom's passing. I can still hear her infectious laugh. She was always smiling and laughing and I always enjoyed seeing her. My sympathies are with you all

“ Miss Ruth was a fun loving woman. Her laugh was so infectious, you just had to love her ways. She was always there when she was needed and offered her help. I have nothing but great memories of her. Albert and Alice, so sorry for the loss of your mother. I love you both, and I loved your mother as well. Prayers and comfort as you walk the last mile with your Mom...remember to cherish and hold close those wonderful memories that were made during her life, for those will be the little things that help you move forward as you learn to live without her. I cannot begin to image the pain and sense of loss that you both must be feeling. Know that I love you very much, and that my heart breaks for you.
