“ I've known Mary since we first met at Watts Bar Nuclear in the early 1980's. As much as we picked on each other we have stayed in contact and remained friends through the years. She was always a special lady and didn't ask for much out of life. When she learned of my mother and sister having lung cancer, Mary donated portions of her hair for them. She always said her hair grew fast, She had always wanted to see the Christmas lights at Opryland so Rhonda and I chauffeured her up to Nashville and then we got her to go on a cruise with us. We will miss her is an understatement.

“ Mary was a precious young girl that I got to know when she was four years old. We lived in Pelham NC. I worked in the country store across from her home. She became friends with my sister Trena Heffinger and Lisa they had a lot in common those days. I was proud to see that she went into service and had a good life. She went to the church we all went to Lively Stones Baptist Church back then. Mary was a sweet good girl. Loved her prayers for family
