“ My heart goes out to her husband Sonny and son David on the passing of my sister Helen. We have always admired how close Helen and Sonny and David were to each other and know how much you are hurting right now. Helen was my older sister and because we lived so far apart I never got the chance to be really close to her. She was beautiful and passionate, very kind to people and animals, generous, funny, crazy and loyal. Being my older sister did not stop her from acting silly with me and Bobbie and making us laugh. She will be missed dearly and just know David that we are here for you. Love Jeri And Bill Alberts
