“ Dear LeeAnn, Phil and Eric, I only recently found out of your Mother's passing. My deepest sympathy. She was always close to my Mom and I continued to write and talk to her since her passing in 1997. I do not have any addresses or would have sent you a card rather than online. I'm sorry for your loss. If you ever need anything, just ask. You have my e-mail address now. Missy

“ Dear LeeAnn, Phil and Eric,
I just learned of your Mother's passing. All of us have so many fond memories of both her and your Dad. We've managed to stay in touch at Christmas (and some in between) thru the years and I'll miss hearing all the news from Harriman. My sincere sympathy to you all.

“ Dear Leeann, Phil and Eric,
I'm so sorry for your loss . Louise was a "mother" to me and Jack. She was always so sweet to include us in all things family. When I went to Desert Storm she brought a wonderful Thanksgiving Dinner for us to have in my 24 hour break from Ft. Bragg. I am always reminded of that every Thanksgiving since. She made it a real reason for thanks. love Melissa

“ Phil, Leeann, and Eric - You have been on my mind since I heard the news. I am so sorry for your loss and for our loss. Your mother was real good to us growing up. I certainly remember the holidays we all shared, but my favorite memory is the 4 of them sitting at the cabin in their bathing suits, talking and laughing and enjoying each others' company. Love you guys.

“ *Leeann, and family*

I remember you mom from the days when she came to school doing this or that with you. You were always so sweet, so your mom had to have been there for you and supportive of you in everything. My thoughts go with you as you and your family go through this time of remembrance. Remember the laughter, the joy, the fun of life with your mom.
