“ I cannot tell you how sad I am at the loss of such a beautiful, happy person. I spent most of my teenage weekends at Mary Lee's house and always felt welcome and like one of her own. The picture you chose is exactly the Mary Lee of my memories. I can still see her smile and hear her laugh. And, I can still hear her scolding us when we got out of line! Please know that I will pray for your family to get thru these difficult days. My heart is very sad for your loss. Love Debbie

“ To the Lemons Family and extended family, That picture is Mary Lee I always remember she never changed, and always spoke when I saw her. It is hard to let them go, but knowing she was always a good person she's in the best place with our God and the ones that went before her. Please know that my thoughts and prayers are with the family at this time and will pray for you to have the strength and the love to carry on with your lifes.
