“ I was both saddened and deeply affected by the news of Mary Lou's death. This brought back so many fond memories of our close relationship. She was like a sister to me. Although I have not been able to visit with Mary Lou and Don in a long time, I have thought of them frequently. The last time I saw them was after my son's wedding in 2010. As I left the church, the first person I recognized was Mary Lou, who immediately embraced me, expressing her love for me and how much she had missed me. I looked up and saw Don grinning from ear to ear and he hugged me too. May knowing you're in the prayers, hearts and thoughts of your family and friends help you through this time of sorrow.

“ Mr. Don, Becky, David and families, My deepest heartfelt sympathy and prayers are with each of you. I will not say the pain goes away, nor will I even be so brave to tell you that you will feel better soon. There is great peace and comfort in knowing that Mrs. Mary Lou is now rejoicing in Heaven. She has many friends and family waiting on her and there is NO pain, NO suffering, and NO fear for her. She was a marvelous women, an outstanding Christian example, and a role model for so many of us. Her life was surly lived with excietment and pride. I am sure if she was able to stay and be the vibrant women she was for so many years she would love to be holding your hands, but to bring her back to suffer I KNOW YOU WOULD NOT WANT THAT. May God surround each of you with comforting arms and great love. I am so sad that due to illness I was not able to pay my respects in person.

“ Mrs. Mary Lou was a true Christian. She and Don are wonderful examples. They were so faithful to the house of God even through her illness. Praise the Lord for their example. She also loved our children very much and would always have candy for them and gifts on their birthdays. She loved all the kids in our church. She is deeply missed. Heaven is difinitely sweeter with her there.
