“ John and Paula, I just so this. we are so sorry for your loss. We wish we could have been there. Mom and Dad were really happy to get to see Paul and Mary a few years back. I remember when they came back from their trip, they were really amazed at how active they both still were. I wish I had met them. Melissa and family

“ Dear john and Paula,

I remember your parents walking around Circle Drive. They were so friendly and enjoyed talking about family and life. Cherish their memories as you mourn their loss.
