“ Sue and family, I was sadden to read of your Mothers death. She was a great lady. You may not ewven remember me, but I remember your hold family as very Godly and kind. Your Mom befriended me as a young child, whose mother had died, I remember being at your house dirty little girl, being made over as I was the most important person in the world. Your Dad also, made pictures and gave them to me, You, too Sue, share dclothing and toys with me. A family that God placed in my life to bless me. I saw your Mom and Dad a few years back, and shared with them, my apprication of those early years. You are in my prayers. God Bless, Jackie Woody Faughn

“ Sue and Family,
I'm sorry I can't make it to the funeral but I wanted to tell you how much I thought of both Howard and Mary. They were wonderful people and will be greatly missed by all who knew them. I have missed your dad and now I will miss seeing Mary. I will keep you and your family in my prayers. I know how hard it is to lose someone. But we will see them again!!!!
My love to you and all your family

“ Sue, your Mom and Dad were great influences in my life. They were always willing to do things with us in Training Union whether it be a basketball game, pulling taffy, or take us to the mountains and cook breakfast. I shall always be grateful for having know them and have them for teachers.

“ I considered Mary Phillips to be one of the "great ladies" of my life. I was so blessed to have Sue as a friend and her mother as a life mentor during my teenage years.

*May God's peace and blessing be with her family during these days.
