“ *To all my extended Pitcock Family
Words can not express the sadness I feel for you all. Mary Lee was one of the sweetest people I have ever known. You could walk in her home and feel just like it was yours.
How fortunate we are were to have known her... I was the lucky one to also have known her precious sister Ginny who was the best step mother and granny ever to my family.
I know they are up in heaven having a big ole time and that makes me smile.
Much love and prayers to all of you my Pitcock "family" because thats if how I will always feel. May God bless and bring you peace in this time.*
