“ Tony and Mike - So sorry to hear about the loss of your mother - I never had the opportunity to know her, but am sure I have had a glimpse of her character and grace through having the pleasure to know and work with both of you guys - there is a saying that "the apple doesn't fall too far from the tree", which highlights the reality that the commitment, love, and family values demonstrated by the parents are usually embodied in the children - both of you are outstanding men of great character and integrity and represent "apples" that remained very near the tree - please know that we are praying for you and your family for God's peace and reassurance at this time and be certain that our precious Savior gently holds your mother in His loving arms.

“ *Losing Mary Ann is like losing a sister to me. We have been friends so long. She was such a great person and so much fun to be around and it is going to be hard not being able to pick up the phone and call her. I loved her but so happy she is no longer in pain and in the arms of GOD. Prayers for the family for such a loss. love all of you~~Eva*
