“ *Grandma was indeed a very special lady! She is one who loved life and lived life with love for all those whom she came to know! In the last seven years that I came to be a part of this wonderful lady's life, she always made me feel loved and brought a smile with every visit. Regardless of the trials and tribulations that she encountered in this life, she always took it in stride and found a way to make those around her laugh and see life from the joyous perspective that she had. Although the loss is great for those she has left behind, Grandma is now with the Lord rejoicing and singing praises with all those who went before her. I am so very thankful for having known Grandma and all the fond memories that I had with her. She will be missed greatly and forever loved!*
