“ Matt was a great person. He was always smiling & was always trying to make or keep everyone laughing no matter what the situation. I can remember so many times that we would hang out & he would do crazy things just to keep us laughing. His bright smile would light up the room when he walked in. Lexi will carry on that since she does look just like him & has the exact same smile. Matt will live on 4Ever & Always within our hearts & will never be forgotten. We love you Matt & we'll miss you. We are here if ANY of you need anything, please just call. We love you all & may God be with you during this awful time.

“ Matt was the best friend anyone could ever ask for. He was my brother no matter what anyone said. I could write a book on all the stupid and crazy stuff we did. He couldn't be there with me physically in war, but he will be there with me in spirit. He promised me when I left that he would be there for my son Tristen while i was gone, or if something were to happen to me. I can only hope now that I will live up to his expectations of me now and do the same for him with Lexi. He will never be forgotten and will be on my mind and in my heart every day. My prayers and love go out to Whitney and Lexi, and also the rest of his family.
