“ *The Ladd Family:*

I was so terribly sorry and saddened to learn of Marie's passing. She was always such a sweet, lovely lady and very helpful and kind while waiting on me at Kinser's. I enjoyed chatting with her whenever we would see each other around Kingston. Marie will truly be missed by everyone whose lives she touched.

“ *God be with all of her family.*

*When I went to work at Kinser Drug Store on Race Street, Marie and Imogene trained me to be a "soda-jerk". Both ladies were very nice ladies. I remember Marie a tiny dark haired person who smiled often. She set a positive example for those who worked with her. She worked diligently, had her babies and continued to work faithfully. As I grew to know her she was a great example of a good mother. I know she will be greatly missed by her family. I will always have fond memories of our short time working together. I went away to school in Sept 1961 and over the years lost touch with her, however those fond memories of her will always be with me.

“ *Marie was a dear sweet soul who always did for others. My wife Rhonda, myself and our son Clayton lived across the street from her and Rudy for 21 years. She never forgot my sons birthday. She was a sweetheart who will be missed.*
