“ My Aunt Ruth was and is the personification of the word "Love". As my dad's baby sister, she played such a significant role in my youth. She became "mother" to the motherless, was a loyal and loving daughter til both her parents went to heaven. She lacked confidence in herself and yet God allowed her to touch so many lives in so many ways. I was honored to spend a week or so with her shortly after Steve went to heaven. We worked together to clear out some things that needed to be cleared out and she shared stories that I had not heard. For me, those days will be most cherished until we meet again at heavens gate. We will surely grieve her leaving us and I hope that we can also celebrate that she loved us and is now whole and joyful in the mansion God created just for her. I love you Aunt Ruth and am so much a better person for having had you in my life.
