“ Maud Dawson changed my life with her love and kindness to me. I was from Jackson, TN and went to Knoxville, TN to go to UTK. It was quite an experience for me since I had been accustomed to a much smaller town. I lived in two different dorms during my college time. I lived in Massey Hall which was the underclass hall on one end where I lived and then upper class students on the other end. Somehow Anna Dawson and I met there on the dorm floor, and I immediately developed a friendship with Anna. Her parents lived on a farm in Swan Pond, it was a beautiful small area, and several relatives lived in this same little area. It was like heaven on earth. Mack and Maude came to my wedding in Jackson with my forever friend Anna. These people loved me so purely. They and Anna will forever live in my heart.

Anna and Dale, I think of you all a lot. There will never be another father and mother like yours. I think of them almost every day. Anna, I don't think I would have made it without so much guidance, love and support from you all. I will always feel the warmth of the Swan Pond family.
