

Michael Scott Bowman

October 23, 1963 - October 16, 2006

Michael Scott Bowman age 42 of Sweetwater, passed away Monday, October 16, 2006. He was of the Presbyterian faith. Scott would like best to be remembered for his love of artistic endeavors. He attended the International School of Design in Florida. Until the end he said he would 'get well' go to Hollywood and become a Star. So when we, his family and friends look into the sky, we can truly say Scott is a twinkling star. He was a trick playing funny guy who was a great friend, always a child at heart and remained that way until the end.

He loved collecting Barbie Dolls and ran his friends 'ragged' in search of just the right one. A collection is being donated to T. A. Thompson's Children's Hospital by his brother Walt, sister-in-law, nieces and their children. A collection that will brighten the little children's faces as it did Scott as he described each one to his friends.

Locally, Scott worked at Citizens National Bank in Sweetwater, his last employment was with the Public Utility Company in Boca Raton, Fla. He completed his last days in Dalton Towers under hospice care. He was a loyal employee and loved going to work, because there, he was with friends. Friends were his life, even when at times we thought 'if he calls one more time today!' He loved and was loved. He will be greatly missed, but we will all have our favorite stories and memories of Scott. May he rest in the arms of Jesus in peace-so well deserved.
