“ Carol Ann,

It's always difficult to watch our friends go through the loss of a husband/wife/best friend, but to us you were both like family.

Mike was Bob's best friend for many, many years, before I met Bob. Mike was the first person I met when I began commuting back/forth from DE to TN when Bob was at Watts Bar; he opened the door to our friendship and accepted me as his friend as well, when I came in to visit. He was kind- hearted and oh so set in his ways, but that's what made him 'special', he always treated everyone well. We had some good conversations and laughs together and I will cherish those times. For Bob, I know they had some good times together with the 'stories' that I know were monumental for them.

I am glad I met you through Mike and you were able to enjoy the years you had together. I am thankful for our having dinner together two weeks ago for Bob's 60th birthday, that was definitely a gift we will never forget. Our hearts are empty right now, but Mike will always be remembered in our hearts. God Bless YOU, as well as, Mike's brother & his family. You're ALL in our prayers and we are here for you.

We will miss you Mike - God Bless You~

“ Carol, you and your family have my deepest heart felt sympathy. Mike was a great neighborhood friend growing up in our later years of high school. Many memories can and will be shared about Mike.
